 La Vieja Fabrica US

1 PREPARE CUPCAKES

Prepare your cake mix according to package directions. Add blackberry fruit spread and mix until well combined. Bake cupcakes in a cupcake pan lined pan (timing and temperature according to package).

2 FROST

Once cool, peel off the wrapper and place cupcakes inside cauldrons (you can also keep some of the cupcakes in the wrappers and frost as is.) Add 4 drops of purple food coloring to vanilla frosting and mix well. Pipe frosting on cupcakes.

3 ENJOY

Add sprinkles & enjoy!
